#### Details of the event

- Ladies and Men will played in the same Championship
- The matches will be played as knockout matches.
- The players will have to agree among themselves in order to schedule and play their match.
- The Château and Riou courses can be selected to play the matches within the defined deadlines.
- The matches will be drawn, and the table drawn up after the deadline set for registrations.
- Depending on the number of registered players, the deadlines will be defined between March and October 2020 to play the matches
- If during these periods:
  - One of the players has never been able to make himself available, his opponent will be declared winner
  - The 2 players were never able to make themselves available, a lucky draw will decide of the winner of the match.
- The handicaps of the players to be taken into account will be those of the day of the match.
- The chosen formula will be Match Play Net. The calculation of the strokes received will be done by taking the  $\frac{3}{4}$  of the difference between the game handicap of the two players.
- In the event of a tie after 18 holes, the players will have to make a sudden death Play Off on hole 1 (gross)
- If the number of players does not make it possible to constitute a complete table, the seeded seed (s) (best indexes) will be dispensed from the 1st round.
- The handicaps will be limited at 36. All players with a higher handicap will be reduced to 36.
- The starting marks used for this championship are detailed below:
  - White: gentlemen up to 8.4
  - Yellow: men from 8.5 to 36
  - Red : Ladies
